How did you hear about this poetry competition?

Mail manuscripts and reading fee to: **Intima Press 32 Union Square East, Studio 310 New York, NY 10003** No calls please and no e-mail entries. If you would like confirmation of receipt of your entry, include a return, self addressed, stamped postcard. Winner(s) will be contacted and posted on our website. This is a juried competition. There are no cash awards. You are applying for an opportunity to have your words published as art, under the imprint of INTIMA PRESS, Finely Printed Limited Press Broadside Edition.

**The Printed Word: What is a broadside?** Broadside is poster-like prints, where text, or text with image, are printed on a single page. Its historic uses have been expanded in contemporary art practices & artists' collaborations with poets.

**What is Letterpress?** The beginning of printing movable type on a printing press dates back to the 15th century. Letterpress printing now, more than 500 years later, still produces the most readable, elegant text, as 3-dimensional type or a relief plate is pressed into a high quality paper. With the commonality of computers, we forget the origins of type faces and fonts originally drawn by a scribe, cut and cast one letter at a time, with each letter set by hand, proofed, inked, and printed on a press. At **Intima Press**, we honor the labor and elegance of past traditions and print each design by hand, with the greatest care and attention to detail in this unique process. Our designs are a union of art historical traditions and modern design. Artist, Mindy Belloff, has been making art for over 25 years and printing letterpress for over a decade. She brings a high aesthetic and discriminating eye to her artwork and will design a broadside to reflect the beauty of your words.
